[Home](#) > Placement Cell

A placement-cum-training cell is functioning in the college under the guidance of a placement officer. Bio data of the graduates and post graduates are collected and send to needy entrepreneurs and companies for placement. Series of seminars and training are being conducted under the auspices of this cell to train and equip the students for campus recruitment. A good number of students have secured fellowships and placements in different parts of the country and abroad utilizing this facility. Presently, Dr. Sreejith Babu, Assistant Professor is the placement officer. He can be reached at **+91 9745603094** and sreejith.babu@kau.in
