[Home](#) > Wood Workshop

---

The wood workshop-cum-laboratory inaugurated by the Sri. Benoy Viswom, Hon. Forest Minister on 24 November, 2006 provides wood working and training facility for the students with special emphasis on advanced wood processing in frontier areas such as tissue processing, microtomy and microscopy.

An integrated sawmill unit with facility for sawing, planning and sanding conversion of timber specimens for the purpose of testing is also installed in this workshop.
